MENTORSHIP PROGRAM APPLICATION

smps Alaska

"I have developed a great relationship with my mentor. I feel I can contact her whenever I have questions, need advice or even just to chat. She has given me invaluable advice on professional development with regard to figuring out what I want career-wise in the long-run, focusing on what I need to get there, and being able to identify my value and contribution to my place of work."

Christine White, CPSM - R&M Consultants, Inc.
